PROFILE SUMMARY

An enthusiastic self-starter, ready to learn and improve my skills in HTML, CSS, JavaScript, Python, UI and UX Design. I am passionate about developing web applications with friendly interfaces and an urge to learn new skills for better contribution in different projects. I am looking for an intern position that would allow me to use my increasing knowledge in technology and obtain a hands-on experience in Front-End Web Development.

EDUCATION

BSc (Hons) in Computer Science
University of Westminster

Sept 2024 - Present

Key Modules & Grades:

- Level 4 (1st semester)
 - Mathematics for Computing
